LOUISIANA AFFAIRS.

NEW ORLEANS, October 12.—A fight occurred yesterday noon at the old Vacherie road, St. James Parish, between the Boves and Hagans Republican factions. One party had assembled to rally and compromise with the Conservatives, when the other party interfered. The result was a free fight, in which several were wounded, but none killed.

(Dist. Kellough received the following dispatch, which were referred to the advisory board.)

ST. MARTINVILLE, La., October 12.
Gen. Wm. P. Kellogg:

I have the honor to report that intimidation reigns supreme at Brexer Bridge. One hundred and fifty of the white league cavalry were under arms six miles above here last night.

(Signed) O. DELAUNAY, JR.,
Sheriff of St. Martinville Parish.

ST. MARTINVILLE, October 12.
To Gen. Wm. P. Kellogg:

Receiving no answer to my dispatch I repaired to Brexer Bridge, where I registered 201 whites and two colored Democrats. Although there are over five hundred Republicans in that section, not one dared come forward to register on account of the intimidations. Must I continue to register?

(Signed) LOUIS C. LEBLANC,
Superior St. Martin's Parish.

NEW ORLEANS, October 12.—It is reported that a fight occurred on Sunday evening at Pointe à la Pêche between the Butler and Mahony Republican factions. One man was seriously wounded.

The following explains itself.

NEW ORLEANS, October 12.—We have noticed in the Northern papers dispatches stating that we and other colored men cooperated and sympathized with the proceedings of the meeting held in Central Church October 8th. This is not true. We are in full sympathy with the Republican party and the State administration, and do not approve of the apparent objects of the few mal-contented who convened and managed that meeting.

(Signed) F. P. JOUBERT,
JAMES LEWIS.

Mayor Witz, with the approval of the City Council, has telegraphed to President Grant at Fort Belknap, Texas, inviting him and his suite to visit New Orleans, promising a cordial welcome by the citizens and authorities.

A CONTRA STATEMENT.

The following contradicts the statements made by the Parish officials in the telegrams to Gov. Kellogg:

NEW ORLEANS, October 12.—I live six miles above St. Martinville; was at Brexer Bridge all day Saturday; saw or heard nothing of intimidation; was at home last night, whence I left this morning at 9 o'clock. There is no truth in the report that one hundred and fifty cavalry of the White League were in that neighborhood or elsewhere in the parish.

(Signed) MARTIN VOORHEES.

HUMPHREY, Pa., October 12.—President Grant passed here at 8:45. The entire town turned out and he was received amid the ringing of bells and strains of music and cheers loud and long rent the air.

RITCHIE TOWNSHIP PROPOSES TO roll up

a majority of 200 for "the dapper little

BOURBON OR ANTI-BOURBON.

The Meeting in the Eighth Ward Last Night.

Ritchie Township Opposed to Riggs.

Glaring posters have for several days announced that a meeting of "Democrats and Conservatives" would be held in the

Eighth Ward on Monday evening, October 13th, and that a galaxy of talent, billed for this appearance only, would shine upon the gathered hosts upon that occasion.

Accordingly a crowd of several hundred persons, the majority of whom were plainly antagonistic to the ring and to the ring candidate, assembled at the terminus

of the street railway about half-past 7 o'clock last evening. A brass band was stationed upon the veranda of Steubenpark's Hall, and

discussed several lively airs before the meeting commenced. Shortly before 8 o'clock the people outside were requested to enter the Hall, and the speakers and

several other gentlemen took their seats upon a small platform. Porter Smith, Esq., called the meeting to order, and introduced G. O. Davenport, who upon taking the stand, read a communication from C. Neuhansen, Esq., who begged to be excused from addressing the meeting. Mr.

Davenport commenced his remarks by eulogizing himself, and explaining his conduct as a member of the State Legislature and of the Constitutional Convention. Then he preached a

sermon that was both brilliant and boisterous. He called into the INTELLIGENCER, Gen. Goff, the Republican party and everything else but himself. The audience

seemed so little in sympathy with the sentiments he uttered, that they gathered in groups and conversed together in loud tones, nearly drowning the voice of the speaker. Only an occasional laugh

was heard from some of the nearest stand, when George swung his coat tails over his head in an attempt to climb the pillar of his own dirty wit. As Mr. Davenport resumed his seat

THREE CHIEFS FOR GOV were given with such a will that they literally

drowned the music of the band. Had a bombshell dropped upon the platform the distinguished gentlemen there sitting

would not have been more startled. Next came three cheers for Logan, completely drowning the music, so that the band suspended operations. J. H. Good, Esq.,

rose to his feet in great excitement and attempted to speak, but was unable to make himself heard over the loud calls

which were being made for Captain B. B. Davenport, one of his opponents. However, he persisted, claiming that he was protected by the law, and if necessary he would speak by force.

A PERSONAL PERORATION.

The crowd was finally quieted down, and Mr. Good proceeded to give his views upon National affairs. He spoke for some time about the "salary steal," "Sanborn contract," etc., charging President Grant and the Republican party

with being responsible for all the fraud and corruption existing in the United States. Then he said he would for a moment discuss State affairs, but did

nothing of the kind. He told several things that he "had heard" about Captain Davenport, whom he styled his opponent, and made a furious assault upon

friend "Eugene Schultz, who is a candidate for Commissioner from Ritchie district. The crowd began to get disgusted

with this portion of the performance, and gave three rousing cheers for Davenport. Immediately the

greatest excitement ensued. The valiant "G. O. D." rose to his feet upon the stand, and throwing his arms wildly about

himself, he said "put him out!" Numerous cries of "put him out!" were heard, but as George was choked off by his brethren, order was restored without

the necessity of ejecting any one from the house.

DOVERER CALLED FOR.

Mr. Davenport was loudly called for, and in order to quiet the audience he made his appearance and stated that he had no desire whatever to interrupt the meeting.

He advised them to preserve order and allow Mr. Good to complete his speech. If they desired him to speak after the meeting was over he would do so. He was loudly cheered, and peace was again restored, when Mr. Good resumed his remarks.

As soon as Mr. Good retired, Davenport was again called for, but the proprietor of the hall appeared and objected to his speaking, when the crowd quietly moved outside. Mr. Davenport's friends would not

even then excuse him, and he was compelled to ascend some steps near by and address them. In a speech of about

twenty minutes he uttered a scathing rebuke to the gentlemen who had preceded him, and was heartily applauded. At the expiration of his remarks three cheers

were given for Goff, Logan and Davenport, after which the crowd dispersed.

SYNOD.—The Synod of Pittsburgh, which embraces the Presbyterian Churches of West Virginia and a portion

of Western Pennsylvania, meets at Washington, Pa., the latter part of this week. Consequently the Presbyterian

churches in this city are expected to be closed next Sunday.

COMPROMISED.—In the case of the State vs. Meaghan, charged with committing an assault and battery upon Ralph Whitehead, heard by Justices Clarkson and

Charnock yesterday, the case was compromised by Meaghan paying the costs, and Whitehead acknowledging satisfaction.

"SQUIRE MCCORMICK.—Upon complaint of Dora Ono, Eunice Ono and wife, her husband and mother-in-law, were arrested and taken before Squire McCormick, charged with cruelly beating her.

The hearing of the case was postponed until 10 o'clock this morning.

CITY COUNCIL.—The regular monthly meeting of the City Council will be held to-night. The members are so interested in the result of the election, however, that

but little business, if any, will be transacted.

DISRUPTING THE PEACE.—Upon complaint of B. G. Welshans, a warrant was yesterday issued by Squire Gillespie for the arrest of Lavie Gardner, for disturbing the peace.

This opinion is being strengthened every day that the man who first made a

thrust to the chest of the most law-abiding citizen, will be the first to be

driven from the city. There is not a Republican candidate for office in our district but what is not

only well, but extraordinarily well fitted to fill the office for which he is running. They are all honest and capable. The

Democrats, but modestly forbids us to make further remarks.

A horse ran of yesterday, but as nobody was wounded or killed, we justighed and said "kno"—hard on reporters.

A young man named Trebble, from Bethany, took the place of Mr. Spencer in the Disciples Church on Sunday and conducted the services.

Vote early but not often. The latter is Democratic policy.

Republicans, vote once and get all your friends to vote with you.

The body reported to have been found yesterday on Gravel Hill was not dead. The girl only fainted and thereby cheated

us out of a stunning local, but we congratulate the girl on her escape.

A man named Westfield, for violating the ordinance prohibiting the throwing of refuse into the river, was on Saturday fined \$3 and costs.

Our City Fathers will have a Council meeting to-night. They should not forget our hint in regard to the proper place for a market house if they want one,

which, by the way, looks doubtful.

Who don't know Bill Cochran? As clever a gentleman as ever went out of Bellairs, and as efficient an officer as ever presided at the Hotel de Cour. Let us

give him in Poliney township a majority such as he deserves, and thereby do full justice to an honest and competent official.

The B. B. Club of this place complain of the manner in which they were treated by the Volunteers last Saturday in their match with that club just exactly where the fault of the difficulty between the two clubs lay we cannot say, but even

supposing the umpire was in the fault, the Bellairs boys were not to be blamed for that, and the affair might have proven a serious one. Umpires should be very careful in decisions of this kind.

The following individuals were arrested Saturday for drunkenness and fined \$3 and costs each: Peter McGlaughlin, Mat McGlaughlin, Joshua Goodwin and Robt. Davis.

Several of our citizens have lately returned from rusticated pursuits. As they spent rather large sums of money on the sport to be found at the renowned fashionable places—Weghe, Bridgeport, and other points of note, they requested us not to publish their names and we forbear.

The State officials at Columbus say that Col. Rod Mitchell is the best clerk in the State and they sorely make an examination of his reports, from the fact that they always know them to be right. Belmont county can't go back on "Rod."

Every body in Bellairs who is in favor of the best interests of Bellairs will vote for Danford.

Let no Republican stay away from the polls to-day. Our manufacturing interests are too great to give the Democrats a chance to make our record against the protection of home industry, so come out and show we are in favor of fostering those who by their labor and skill do for us.

Danford and protection now and to-day. Come to the polls and give him your vote.

D. W. Lee, Esq., returned home yesterday from a visit to Baltimore. Of course Dan will work hard to-day in his line. Let all fresh fish keep off that line, but vote the Republican ticket straight.

COUNTY COURT.—This Court assembled yesterday morning at the usual hour.

In the case of Suraw & Steadman vs. W. D. Sawtell, a motion to dissolve an injunction issue at a former day of this term was continued.

In the case of State for use of E. V. Cline vs. Wm. Englehardt et al., the motion for a new trial made at a former day of this term was overruled, and judgment ordered to be entered up.

In the case of State vs. W. C. Ferrel, examined upon a charge of felony, the defendant was discharged.

In the case of Virginia Langitt, executrix, vs. James E. Morrow, judgment was entered by Court for defendant. The motion for a new trial was held over until next term.

Some time was consumed in the evening by the counsel on both sides in the case of Wm. Shockey vs. J. H. Hobbs, Broker and Co., arguing legal points bearing upon the case. Pending the argument, Court adjourned over to Wednesday morning at 9 o'clock.

POLICE COURT.—Three cases awaited examination at the police court yesterday morning. They were disposed of as follows:

Alexander Valentine was arrested on Saturday afternoon by Officer Exley, for drunkenness upon the streets. Valentine paid \$10 and costs.

Dennis Meaghan was charged with committing an assault and battery upon Ralph Whitehead. Meaghan was fined \$15 and costs.

The case of Robert Noble, charged with committing an assault and battery upon Miss Bell, was continued until this morning.

PERSONAL.—Rev. A. J. Carney, a traveling missionary, is stopping at the Grant House.

Rev. Wm. M. Mallen, of Charleston, W. Va., formerly pastor of the Fourth Street M. E. Church in this city, is a guest at the Grant House.

Mrs. Captain Grubb and daughter, of Bonnevill, Missouri, formerly of Bridgeport, are visiting relatives and friends over the river.

THE "HYMNAL"—The First Presbyterian Church of this city has decided to introduce the new hymn-book, which is the "Hymnal," a collection of psalms and hymns adopted for the use of the Church by the Presbyterian General Assembly of the United States at its session in Baltimore. There are three or four styles of the new hymn book, common, medium, and fine edition, with music. The latter will be the one generally introduced.

ADMITTED AS CITIZENS.—The following persons were admitted to the privileges of citizenship by the County Court yesterday: Herman Gehring, a native of Hesse, Darmstadt; Carl Miller, a native of Germany; Patrick Barry, a
